

## Preliminary Notice of Race

1. Skagerrak Cup 2009 will be governed by the Racing Rules of Sailing including Scandinavian Sailing Federation prescriptions and the alone standing Notice of Race for each race counted in Skagerrak Cup 2009
2. The following races will be counted in Skagerrak Cup 2009:

Race	Date of 1 <sup>st</sup> start	Organizing authority
HH Skagen Race	May 20.	<a href="#">Bærum Seilforening</a>
Færderseilasen	June 12.	<a href="#">Kongelig Norsk Seilforening</a>
Tjörn Runt	August 15.	<a href="#">Stenungsunds Segelsällskap</a>
Göteborg Offshore Race	September 18.	<a href="#">Göteborg Kungliga Segel Sällskap</a>

### 3. Classes

In each race there will be a class called "Skagerrak Cup 2009" and yachts holding a valid 2009 ORC Club Certificate with a GPH less than 710 can compete in this class. Yachts not holding a valid 2009 ORC Club Certificate can contact each countries national ORC Rating Office or contact Norwegian Offshore Racing Club at [info@norc.no](mailto:info@norc.no)

### 4. Entry and eligibility

Yachts entering in one or more of the listed races can enter the Skagerrak Cup 2009. The same yacht is to be used in all races and only two different skippers can be used. There is no entry fee for Skagerrak Cup 2009 and it will be possible to enter Skagerrak Cup at the same entry form as you use for each races in the series. Yachts are allowed to participant in also an another class in each race and if so the yacht will be scored in

both this class and Skagerrak Cup as long as the total distance in the other class is the same as the one in the “Skagerrak Cup 2009” class.

### 5. Scoring

Competitors in Skagerrak Cup will be scored in each race using ORC club Performance Line Offshore, where corrected time is calculated by two coefficients as follows: Corrected time = (PLT \* Elapsed time) - (PLD \* Distance), using the time coefficient PLT and distance coefficient PLD appearing on each boat's ORC Club certificate. Three of the four races will be counted in the overall result and the yacht's total rankingpoints (R) in each regatta will be scored according to the following:

$$\text{Rankingpoints} = R = C * (1 - (P - A) / N + T)$$

$$C = 100$$

$$T = 1/N/3 \quad (1\text{st boat})$$

$$A = 0.5$$

$$P = \text{Place}$$

$$N = \text{Number of boats in "Skagerrak Cup" class}$$

*This changes RRS Appendix A*

### 6. Prizes

In addition to the Skagerrak Cup 2009 - trophy, prizes will be awarded to each member of the crews placing first, second and third in Skagerrak Cup 2009.

### 7. Prize giving

The Skagerrak Cup 2009 - trophy and crew prizes will be awarded during the prize giving ceremony after Gothenburg Offshore Race in Marstrand in September.
