CB66 NORDIC SAILING LEAGUE

The CB66 class associations of Sweden and Denmark presents: **The CB66 NORDIC SAILING LEAGUE, NSL**

The NSL will consist of four grade 1 regattas, 6 grade 2 regattas and the final regatta with the Nordic Championship.

The new scoring system makes it possible to score points for the final regatta in both local (grade 2) and international (grade 1) regattas.

At the final regatta we will not only crown a winner of the league but also race for the Nordic Championship.

The top 5 teams from the league and 2 wildcards will qualify for the NC final races.

The new scoring system will maintain the excitement of who will win the NSL and the Nordic Championship all the way to the end.
