

THE BATTLE OF GÖTEBORG

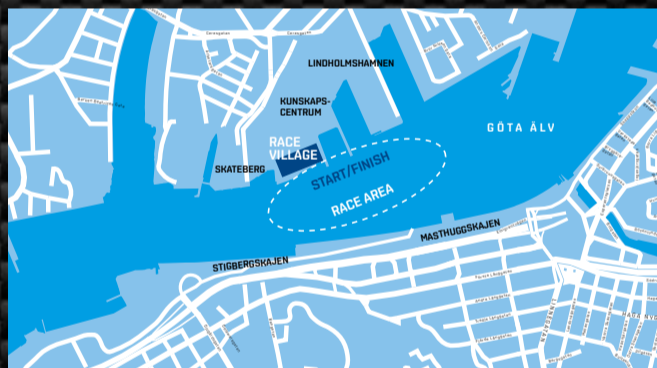

LINDHOLMEN JUNE 11-14

VÄLKOMMEN TILL M32 SERIES SCANDINAVIA I GÖTEBORG!

Forget ordinary sailing. The superfast M32 carbon catamarans take sail racing into new waters and the sailors' adrenaline rush to new heights. And you can experience the action live from the shore side at Lindholmen only five minutes away from the city. It's as close as you'll ever get to maximum sail racing - unless you're on board, of course. So come and experience the battle between some of the world's best sailors direct from the waterfront. Between the races, you and your friends can chill out and share all the events in the M32 Race Village. Welcome to join the sail racing party of the year at Lindholmen June 11-14.
